RAM® Cable Manager with AMPS Hole Pattern for Electronic Mounts

Part #: RAP-403U **UPC:** 793442944208

FEATURES

- Includes 4-hole AMPS pattern mounting holes for RAM® drill-down bases
- 0.56" x 0.7" side cutout allows for routing cables from the power source to the mounted device
- Made of high-strength composites for durability and reliability in the most demanding environments
- Backed by a lifetime warranty

PRODUCT INFORMATION

OVERVIEW

The RAM Cable Manager creates an integrated route for electrical wiring and cleanly covers installation holes. A great addition to any surface mounting application. The RAM Cable Manager is made of glass filled nylon which has the benefit of creating a barrier between the RAM Surface Mount and the attachment area; minimizing vibration while reducing fiberglass and gel-coat damage. This item will work with any of the 2 5/8" round plates with AMPs hole pattern.

SPECIFICATIONS	
HARDWARE INCLUDED	(4) #10-24 x 2" Machine Screws (4) #10-24 Nylock Nuts (4) #10 Fender Washers
PRODUCT DIMENSIONS	Cable Slot Height: .56" Cable Slot Width: .7"
CLAMP RANGE	Max mounting surface thickness: .68"
HOLE PATTERN	4-Hole AMPS: 1.181" x 1.496"
MATERIALS	High strength composite
PACKAGING TYPE	Poly Bag
WEIGHT	0.25 lb
ADDITIONAL INFORMATION	To prevent galling of threads during assembly, it is imperative that all threads are lubricated with oil prior to assembly.
